

SOCIAL RESPONSIBILITY COMMITTEE
October 10, 2010

Present: Sandy W, Ken M, Dave C, John L, Toyon C, Linda G

Toyan presided over the meeting which began at about 11:40 am at UUCWI.

The following matters were discussed and/or decided upon:

STANDING ON THE SIDE OF LOVE:

T-Shirts – The t-shirts have been ordered but have not yet arrived. Purchasers will be asked to wear their t-shirt to the services sponsored by SRC, the first being November 14.

Banner – Dave C reported that the proposed banner would be rather costly and that the message may be too “wordy” to be effective. It was decided not to purchase the banner.

SUNDAY SERVICES:

November 14 Service – A speaker for this service has not yet been determined. John L will talk further with his daughter-in-law and Toyon will work with Libby on following up on other possibilities. Toyon will serve as lay leader for the service.

UU-UNO ENVOY

Toyan let the Committee know that, because of the many new requirements (congregational membership, recruiting of additional members, etc.) for being a designated Envoy, she would prefer not to do this. There was some discussion about whether Evan Welch might be interested in being an Envoy. Ken and Sandy will talk with him and Toyon will talk with the UU-UNO office.

DEDICATED OFFERINGS

SRC agreed that dedicated offerings will be made as follows:

September 12	Habitat for Humanity
October 24	Friends of Friends asked that their offering be deferred until a later date. We will dedicate this offering to the HUB.
November 14	Veterans Resource Center

The next meeting will be held on November 21, following that Sunday’s service.

The meeting adjourned at 1 pm.
