The Pres Sez ---

July, 2007

What a great year we've had under Toyan's leadership, the direction of the board and Kit's ministry. The annual meeting showed our strength as a congregation. There was no fear of a lack of quorum when two thirds of the membership was present. Our building project was wholeheartedly endorsed and we elected a fine board. Our committees have worked diligently but they could always use more help. If you have a committee interest don't be afraid to step up to the plate.

July will be our month of rest. In August we will resume services, but at 10 am on the church property. The final service on the property, our Ingathering, will be 4:00 pm September 9. The Ingathering Service will be followed by a groundbreaking celebration with visiting dignitaries and by our annual Salmon Bake Potluck -- to which all are invited.

August will also see the resumption of our full size Newsletter and we will want articles sent to our esteemed editor, Rebecca S., by July 20.

Have a great summer. Come back with sleeves rolled up ready to fulfill our destiny. Our community needs us.

Best Wishes
Baird B., UUCWI President

Dear Whidbeyites,

I hope you'll all have a wonderful summer with friends and family. We have an exciting year ahead of us, with new programs, a new building going up, and new energy from new members. See you in August!

Love,
Kit
